\*\*\*\*JULY 13, 2020 \*\*\*\*  
MEETING CANCELLED

# JULY

Greetings to all my fellow quilters!

I've been elected to be your president for the coming guild year. It promises to be a challenging year, at best, but we'll get through it together.

A little about myself...I was born and raised in Nebraska (Go, Huskers). I came to Winfield to attend St. John's College. From there I graduated from St. Joseph School of Nursing in Wichita. In the meantime, I met a local guy, married him, and we have farmed northwest of Winfield ever since. We have 5 children and 10 grandchildren. They all live locally except for our oldest son, who lives with his wife and son in Kansas City. As I like to say, they are all healthy and employed, so all is well!

**Our July meeting has been canceled.** With the increase in Covid-19 cases, your board of directors did not feel it was prudent to meet in person.

The board discussed ways that we can continue to have fellowship even though we can't meet in person. We hope to have some plans for August. In the meantime...do you have ideas for the board? When do you think it will be safe to meet in person again? We'd really like to hear thoughts, so please call a board member or email your ideas to [wvqguild@gmail.com](mailto:wvqguild@gmail.com). Early in July board members will be calling guild members to check on you, so feel free to share your thoughts with them.

As quilters we have a fun hobby to keep ourselves busy and it has been a good time to finish those UFO's and use up some of that fabric we all like to collect. When we are able to meet again, we should have lots of projects for Show and Share. If you'd like, send a picture of a UFO that you have completed recently to the guild email ([wvqguild@gmail.com](mailto:wvqguild@gmail.com)) and it will be posted on the guild web site and Facebook page. We can have a virtual Show and Share! Be sure to include a little information about your project. Then be sure to check the guild web site or Facebook page and see what your quilting friends have been up to. You can access the Facebook page and view it even if you don't use Facebook yourself. You won't be able to make comments, but can view the workmanship of your fellow members.

As sewists, we were able to help in this time by making face masks and gowns for those organizations who needed them. Thanks to all who worked on these projects. The needs are still ongoing, so continue on wherever you find a need.

In other news, you may have already heard that the 2020 Cowley County Fair has been canceled. That was a hard decision for the fair board, but probably best. We can look forward to 2021!

Judy Perrigo was elected to the Newsletter Editor position. Thank you to those who voted and a big “Thank you” to Judy for saying yes when asked to fill the position. Any items you would like in the newsletter need to be emailed to Judy ([judyp.autotech@gmail.com](mailto:judyp.autotech@gmail.com)) by the 25<sup>th</sup> of each month.

We drew for the winner of the Holders and Folders for the past guild year at our board meeting. And the winner is.....DEBBIE MILDFELT. Debbie will be receiving a \$25 gift certificate to Field to Fabric Quilt Co.

Thank you for continuing to support your guild during this time. A membership form is included with this newsletter. If you have not yet filled it out and paid your dues, please do so. Keep on quilting!

Sally Ray
