MEETING

CANCELLED

Dear Quilters,

The last few weeks have been crazy, haven't they? The Covid-19 has left a lot of uncertainties for us. If you're like me, you are staying home except when you need to pick up essential items and taking precautions to protect yourself and others by wearing masks, washing hands more often, and avoiding social contact. One thing I had asked you to do was help others stay safe by making masks to donate to various agencies. As of April 24th, we distributed over 725 masks! More than two dozen of you participated, that I am aware of, and even more of you provided masks on your own to family and friends and other local agencies. I am very proud of the way you took on this task. I received many, many thanks for your hard work. I am blessed to be in a group that believes in community service. Thank you for all your work.

As you have now heard, the board voted to cancel the May guild meeting. Safety was our first priority, especially since many of us are in the high risk age for the virus. Since we were to vote on the budget and new board members in May, the board determined we would vote through the newsletter or by phone for those of you who don't have an email address. Thanks to Mary and Charlene for their work in setting this up for the vote.

My hope and prayer is that you are all safe and healthy. I am looking forward to the day we can meet as a large group again.

Kathy Wohlgemuth, President

MAY 11, 2020 MEETING NEWS

Unfortunately, due to the current situation in our world, we feel we must continue to protect ourselves at this time; thus, we are cancelling the May guild meeting. We will continue to make this decision from month to month. Stay Safe and hope to see you soon!

MASKS

We continue to get calls for masks. If you would like to make more of them, please leave them on my porch at 609 E 11th, Winfield. Thanks, Kathy
